

STIGLER REGIONAL AIRPORT

Come Build With Us!

Comfortable lobby, with weather conditions broadcast by the automated weather system.

Currently accommodates 13 aircraft: Single engine airplanes, multi-engine airplanes, jet airplane & helicopters

Construction is underway on a new (66' x 120') hangar off of Taxiway Bravo. Thirteen more hangar or business pad sites with runway access are available. Underground utilities installed.

- 4,286' Asphalt runway • 80 acre site developed in 2006
- Security gates • 24 Hour Self-service fuel station

Located 1/2 mile north of state Hwy 9 & near Stigler Industrial Park
